

CONFERENCE COMMITTEE REPORT DIGEST FOR ESB 186

Citations Affected: IC 7.1-3; IC 7.1-5.

Synopsis: Alcoholic beverage license revocation. Requires the Indiana alcoholic beverage commission to revoke an employee's permit or a temporary bartender's permit if the permit holder is convicted of a Class B misdemeanor for serving an alcoholic beverage to an intoxicated person knowing the person to be intoxicated. Requires the commission to hold a hearing if an individual has been charged with knowingly serving an alcoholic beverage to an intoxicated person, and allows the commission to suspend the individual's permit until the disposition of the charges. This conference committee report removes from the bill provisions that would have: (1) exempted from the definition of "alcoholic beverage salesman" an Internet based consumer marketing service promoting alcoholic beverage sales, other than beer sales, through licensed Indiana wholesalers, dealers, and retailers; (2) eliminated from current law a provision allowing a wine wholesaler to sell and deliver to a consumer's residence up to 50 gallons of wine in permissible containers at a time; (3) repealed a provision in current law allowing a holder of a liquor wholesaler's permit to own one package liquor store in the permittee's county of residence; (4) eliminated from current law a provision limiting the quantity of liquor that a liquor dealer may deliver to a customer's residence or office to twelve quarts at a time; (5) eliminated from current law a provision limiting the quantity of wine that a wine dealer may sell to not more than twelve quarts at a time; and (6) allowed a wine dealer holding a liquor permit to sell and deliver wine in permissible containers to a customer's residence or office.

Effective: July 1, 2000.
